President's Volunteer Service

Award, Recipient for 2,733

volunteer hours

SELECTED WORK EXPERIENCE

Deployed Member | Spring 2019

SBP in partnership with Hope Panhandle, Panama City, FL

- Deployed to Panama City, FL for one month to assist with the setup of Hope Panhandle operations in conjunction with SBP; Hurricane Michael recovery
- Served in the Client Service Coordinator and Project Lead role to identify 50+ clients and perform muck and guts for 8 homes respectively
- Led and managed up to 40+ volunteers at a time and ensured construction project goals met and exceeded expectations
- Connected the non-profit, Hope Panhandle, with potential partner organizations for Florida operations

Volunteer Coordinator | Spring 2018 - Spring 2019

SBP Houston, Houston, TX

- Served as a point of contact, logistical lead, and ensured volunteers had an experience consistent with the mission of SBP for Hurricane Harvey recovery
- Set fundraising goals and secured over \$138,000 in donations for SBP significantly exceeding expectations
- Maintained sensitive records and routinely tracked volunteer data including volunteer numbers, hours worked, financial contributions, and survey results
- Built strong and sustainable partnerships with local businesses, churches, colleges, and community organizations; maintained relationships with SBP's existing corporate sponsors and partner organizations to drive recovery
- Developed and implemented an ambassador program to increase volunteer engagement and expand SBP's reach
- Assisted SBP's National Development team with yearly fundraising campaigns and managed social media platforms for SBP Houston and SBP National
- Utilized data management software including Salesforce, Microsoft Office, G-Suite, Formstack, Mailchimp, and Canva
